CAJUN PRAIRIE RESTORED SITE , Eunice, La

This is designed for you to use as you walk around the trail and match the picture with the labeled plants along the way. You can also refer to the printed text for more information on each species. This site and the printed material is the property of the Cajun Prairie Habitat Preservation Society (www.cajunprairie.org), a non-profit organization. This is a restored Cajun Prairie area and is a glimpse of the vegetation that once covered all of southwest Louisiana. Please do not litter and do not remove any of the plants. Hope you enjoy your visit and please return the printed material for others to use.
